

## **Cookie Policy**

Access to the website *welpay.io* may involve the use of cookies. Cookies are automatic procedures for collecting information that allow the user to be identified automatically and which enable REWARDWAVE SL ('WELPAY') to obtain information about the habits and behavior of its users on its website in order to improve it, personalize the user's experience and facilitate browsing and usability.

Without prejudice to the fact that cookies collect information by means of automatic procedures, they do not allow the user's telephone number or any other means of personal contact to be contacted. Nor can they extract information from the hard disk or steal personal information. The only way for the user's private information to be part of the Cookie file is for the user to personally give that information to the server.

### **Different types of Cookies**

#### **-According to the entity that manages them**

- First-party cookies: These are cookies that are sent to the USER's computer or device and managed exclusively by WELPAY for the better functioning of the Website, its content and user experience.
- Third-party cookies: These are cookies that are used and managed by external entities that provide WELPAY with services requested by WELPAY in order to improve the Website and the user's experience when browsing it. Their purpose is to obtain access statistics and to analyze the user's browsing information and interaction.

#### **-Depending on the period of time they remain activated.**

- Session Cookies: These collect data while the USER browses the web in order to provide the requested service.
- Persistent cookies: These are stored in the terminal and the information obtained will be used by the party responsible for the cookie in order to provide the requested service.

#### **-According to their purpose:**

- Technical Cookies: These are necessary for the correct browsing of the website.
- Personalisation cookies: These allow the USER to choose the characteristics (language) for browsing the website.
- Analysis Cookies: These allow the analysis linked to the browsing carried out by the USER, with the aim of monitoring the use of the website, as well as carrying out statistics on the most visited contents, number of visitors, etc.
- Advertising Cookies: These allow the editor to include advertising spaces on the website, according to the content of the website itself.
- Behavioural advertising cookies: These allow the editor to include advertising spaces on the website according to the information obtained through the USER's browsing habits.

## Cookies used on the Website

In accordance with the provisions of article 22.2 of Law 34/2002, of 11 July, on Information Society Services and Electronic Commerce (LSSI-CE), WELPAY informs that the following cookies are used on this website:

### Strictly Necessary cookies (1)

Cookie key	Domain	Path	Cookie type	Expiration	Description
PHPS ESSID <a href="#">More info</a>	www.welpay.io	/	First-party	Session	Cookie generated by applications based on the PHP language. This is a general purpose identifier used to maintain user session variables. It is normally a random generated number, how it is used can be specific to the site, but a good example is maintaining a logged-in status for a user between pages.
